

Local pain management physicians lecture at the annual ASIPP meeting

Fort Myers, Florida – June 2010

Michael Frey, MD and Jonathan Daitch, MD with Advanced Pain Management & Spine Specialists presented lectures at the 12th Annual ASIPP meeting in Washington, DC. Dr. Frey provided a presentation on “The Evolution and Clinical Evidence of Vertebroplasty and Kyphoplasty.” Dr. Daitch lectured on the “Conversion of Chronic Pain Patients from Opioid Aganists to Buprenorphine.”
