Staff Attends the Florida Worker's Comp Conference

Dr. Daitch and Dr. Frey attended the annual Florida Worker's Compensation Conference in Orlando, Florida in August 2010. Both physicians are certified to do FME's and are contracted with most carriers to see workers' comp patients. Two other APMSS staff managers attended the Conference with the physicians. Joceline Mied, the APMSS Worker's Compensation Coordinator, and Leslie Dube, the Business Administrator, attended courses and participated in the conference.
